About us

SAUDI UNIBOND is a leading Saudi brand in Aluminum Composite Panels, proudly manufactured entirely in the Kingdom of Saudi Arabia. We operate state-of-the-art production lines powered by advanced technology and engineering excellence. Our panels are produced in full compliance with global standards and internationally accredited specifications. We deliver innovative architectural façade solutions for modern and iconic buildings. SAUDI UNIBOND panels are built using premium raw materials for superior durability & weather resistance. Trusted across major regional projects and supported by strong client partnerships. SAUDI UNIBOND... Saudi strength, global quality
